Over The Counter 31 Jan 2022: Communicating the Science Behind Consumer Nutrition With Nestle Health Science's Anna Mohl

by [David Ridley](#)

In this episode, HBW Insight chats with Nestle Health Science's Anna Mohl about the firm's new podcast, Nutrition Unlocked, and how podcasts are a good way to communicate the science behind nutritional products like dietary supplements. Mohl also talks about how some of the biggest COVID-19 trends are driving growth in Nestle's Health Science division – which celebrates its 10 year anniversary this year – and why it's a good time to be in the consumer health business.
