# OTC Marketing Awards 2023 Open For Entries

by Tom Gallen

Consumer healthcare innovation will take center stage at the OTC Marketing Awards 2023, which is now open for entries until 1 September.

Entries are now open for the OTC Marketing Awards 2023, which this year takes place on Thursday 23 November at the Royal Lancaster London.

Recognizing excellence in consumer healthcare marketing, the OTC Awards has been celebrating the UK industry's best and brightest for almost three decades. These unique awards focus exclusively on OTC brands – including non-prescription medicines, food supplements and selected unlicensed healthcare products – across the pharmacy, retail and grocery sectors.

The 28th Annual OTC Awards is sponsored by Skills in Healthcare and Dexcel Pharma's Pyrocalm Control 20mg Gastro-Resistant Tablets, and supported by PAGB, the UK's consumer healthcare association.

OTC companies, agencies and associates have until Friday 1 September to submit their nominations for consideration by the Awards' expert panel of judges. Entries are sought for 15 prestigious Awards, covering advertising, marketing, social media, digital and public relations campaigns, as well as packaging, training and innovation.

Categories are split across two groups: Principal Awards, which are free to enter, and Entered Awards. The full list is shown in the sidebar.

## Entered Awards

Sustainable OTC Product of the Year

Entries are open to UK launches, campaigns and packaging introductions/changes carried out between August 2022 and August 2023. Advertising and social

media campaigns, public relations initiatives and training should involve at least some elements carried out between these dates, although some activity may pre-date this period or extend further in 2023.

All entries will be carefully reviewed by our judging panel – a group of senior industry experts, handpicked for their experience.
