Over The Counter 22 May 2023: What You Need To Know About HRA's Historic US OTC Pill Switch With HBW's Malcolm Spicer

by [David Ridley](#)

HBW Insight catches up with US executive editor, Malcolm Spicer, to discuss Perrigo subsidiary HRA Pharma's Rx-to-OTC switch application for its daily contraceptive, Opill. With the switch currently under consideration by the US Food and Drug Administration after a positive recommendation from its advisory committees, Spicer draws on his in depth coverage of the subject, as well as his extensive experience writing about the US consumer health market, to tell listeners what they need to know about this historic switch.
